

Driven by your expertise.

Become a member today!

Join aquatics professionals and local and state authorities using the Model Aquatic Health Code (MAHC) to help make swimming and other recreational water activities healthier and safer.

Make Your Voice Heard:

Participate in CMAHC's triennial Vote on the Code conference to discuss, debate, and vote on proposed updates to the MAHC.

Educational Resources:

Discounts on MAHC webinars and trainings; free access to MAHC presentations and case studies; and more.

Get Involved:

Serve on one of CMAHC's many committees, including those focused on research and the MAHC update process.

Stay at the forefront of the ever-changing face of aquatics. Join us today.
